Our goal is aimed at offering education that doesn't just inform our students.To us, education has always been a mind, body, and spirit affair. By the time they leave our portals, our students are ready to take up their responsibilities in their chosen professions, prepared at a level that can only be called ordained of the Lord.Many graduating students open HOLY SPIRIT INSTITUTE- College Distant Learning Centers in their community.

In 2007, Holy Spirit Institute was founded by Dr.Joh Seer.The name “Holy Spirit Institute “was being focus only to emphasis on the doctrine of Pneumatology and did not tell who we were or what we are doing,so to better identify our mission,the name was changed to HOLY SPIRIT INSTITUTE-College. Our enrollment has increased since that time.
